Yellow Springs Delegation Breaks Up Democratic Women's Meeting

STARS IN LEGION FASHION SHOW — Stellar performers in last week's big American Legion Auxiliary Fashion Show included, l. to r., Mrs. Richard Betscher, Jean DeWine, Betty Davis, Polly McNutt, Nancy Dinkop, Judy Hennessy, Joan Henderson and Hilda Ricciardi. (Ladley Harris Photo).

Legion Auxiliary Show Heap Big Success

The American Legion Auxiliary dinner and fashion show at the new Grade School last Saturday night was a big success.

Over two hundred people were served during the dinner hour. Twenty-seven prizes were awarded, and music was furnished by an accordion band under the direction of Mrs. William Hains, of Xenia, and Susan Betscher and Mrs. Mary Doris Nosker.

The latest fashions, available in Yellow Springs, were modeled by Mrs. Judy Hennessy, Joan Anderson, Betty Davis, Jean DeWine, Elizabeth Betscher, Nancy Dinkop, Polly McNutt and Hilda Ricciardi.

Mrs. Louise Spiller arranged a beautiful garden scene on the stage. Pink flowers and paper bonnets and hats "grew" on the trees and the pink cart. A huge pink bird cage housed two pink doves. Live flowers were in bloom and added much to the colorful fashions. Story book dolls and candles were arranged on the dining tables.

Mrs. Ruth Carlisle was general chairman of the event; Mrs. Ann Grote was in charge of table decorations; Mrs. Agnes Alexander, door prizes; Mrs. Agnes Amon and Mrs. Elizabeth Betscher, tables; Mrs. Nancy Dinkop, waitresses; Mrs. Phyllis Nickerson and Mrs. Ruth Carlisle, kitchen; Mrs. Jean DeWine, decorations; Mrs. Vera Johnson, ticket sales.

The Auxiliary extends its thanks to all who helped in the program and the community for its generous support.

Proceeds are to be used to equip the kitchen in the Legion Home.

All-American Speaker For Basketeers Dinner

The annual appreciation dinner for the Bryan High School basketball team, cheerleaders, and coaching staff, given by the local Lions Club, will be held at the new Grade School at 6:30 on Tuesday, March 23. Dr. James Hall, former All-American basketball player from Ohio, will be open to the public. Tickets are 1.75 and will be available at Deaton's Hardware. Reservations State will be guest speaker.

Presbyterian church women will serve the dinner, and the affair must be made by Sunday, March 28. The Lions Club sponsors this event each year in appreciation of Bryan High athletes and their achievements.

Mr. Ira Barr, Xenia Ave., last Saturday attended a dinner meeting held at Trisbin Manor for the purpose of reactivating a Greene County Chapter of the Ohio Society of Sons of the American Revolution. Date for a future meeting has not been set yet. Interested eligible men in this locality are asked to contact Victor Anderson, Bryan Rd., or Mr. Barr.

Community Council Adopts Recreation Committee Policy

The March meeting of the Community Council was held Wednesday night at the home of Mrs. John Bife. There were approximately 30 present, of whom 17 were voting members. Mr. Nehz read a letter from the Ohio Public Utilities Commission in which it was stated that a bus for the use of the Council would not fall within existing rules of the Commission, since it would not follow any set schedule. Some discussion was had on costs but insufficient information was presented to form a clear picture. Mr. Nehz is to talk to the Commission in Columbus and also to McClure in Springfield in an attempt to get a clearer picture of just what is involved.

The question of a scholarship fund was brought up again for discussion. Mrs. Carlson, chairman of the committee gave a report on the past activities of the committee. It was finally decided that the committee should have a meeting and explore the possibilities of what could be done in the way of counselling and guidance without funds. A report on this is to be rendered at the next meeting.

Mrs. Mary Radin spoke briefly of the Incampment for Citizenship in N. Y. It is an interracial summer

Council Worries Are Traffic & Money

Last Monday's meeting of the Village Council was again quiet. The meeting was short with only routine business being discussed.

Business opened with the reading of the minutes of the last meeting, and was followed by a reading of the Treasurer's report for the period ending February 28, 1954. This report showed a total of \$67,774.34 in various funds. The breakdown is as follows:

General Fund	\$6,869.33
Motor Vehicles	\$1,531.12
Sewer Fund	\$15,881.39
Water Fund	\$2,822.30
Light Fund	\$26,988.03
Quarantee Deposit	\$2,204.73
Police Pension	\$6,889.47
Gas Fund	\$4,718.28
Bond Retirement	\$584.82
Widows Fund	\$4.75
TOTAL	\$67,774.34

"The Basque Country" Topic at A.A.U.W. Meeting

"The Basque Country" will be the subject of a talk by Esther A. Old which will follow a dinner meeting of the Yellow Springs chapter of the American Association of University Women on Thursday, March 25, at 6:30 p.m. in the Antioch tea room.

Miss Old's talk will be based on her experiences during a visit to the south of France for several months in 1953. She will also show pictures

camp for young people. Approximate cost for the summer for one would be \$300. No action was taken.

The budget for the Youth Council, which had been tabled at the last meeting was brought up. During the discussion a complete breakdown of the expenditures for the past year was introduced. Included in this was a complete breakdown of the Day Camp with a resume of the expenses and income for the past 4 years. A statement of policy for the Youth Council or Recreation Committee was introduced. This policy in addition to the activities covered in previous years would be the Teen-Canteen in with this committee. It was brought out that the Teen-Canteen is being used only on Saturday Night. It is patronized by Junior High students and the attendance has been running between 20 and 60.

Mr. Barr moved, seconded by Mr. Nehz, that the Policy be adopted by the Council as a charter for the Youth and Recreation Committee. It was carried unanimously. It was then moved by Mr. Nehz and seconded by Mr. Kohler, that the budget item of \$1020 dollars be approved by this Committee. The Teen-Canteen fund is to come out of this item.

Other business was a discussion of the school traffic and parking problems. While the village has no jurisdiction regarding parking on school property, the Village Manager, Mr. Kahoe was authorized to serve in an advisory capacity. Mr. McPhaden of the School Board said that he would be willing to accept aid in working out this problem.

Mr. Kahoe was also authorized to send out invitations for bids on the drainage and sewage draining project in the Elm and Walnut Streets area.

In winding up business for the evening, a recommendation from the Planning Board was submitted approving the Pennsylvania Railroad property adjacent to the station house as an off-the-street parking area. This property can be leased by the Village for \$100.00 per year. It was pointed out that use of the College lot will not be necessary if the railroad land is used.

PERSONALS

Mr. and Mrs. J. N. Wolford, Walnut St., had as their guest Wednesday, their daughter, Mrs. R. H. Adams of Columbus.

Mrs. Jack Drake and Mrs. W. B. Alexander entertained at the Alexander residence, Jacoby Rd., Thursday afternoon with a desert bridge party for the benefit of the Library.

MRS. ROBERT W. FINK
The recent wedding of the former Miss Norma Carnel to Mr. Robert W. Fink, son of Mr. & Mrs. Wilbur Fink, was one of the highlights of the current social calendar. (Ladley Harris Photo)

LAUSCHE PROCLAIMS EASTER SEAL MONTH — Governor Frank J. Lausche is pictured signing a proclamation setting aside the month of March 18 to April 18 for the Easter Seal Drive, a campaign sponsored annually by The Ohio Society for Crippled Children. Two of the youngsters who have received help from the medical program of the Society are pictured with him — Sandra Spellerberg of Columbus, and Michael Highman of Zanesville. Michael was selected as the 1954 Ohio Easter Seal Child.

FATHER JOHN ANTONY TRANSFERS TO GREENFIELD

Succeeded by Rev. James Byrne

The transfer of the Rev. John H. Antony, pastor of St. Paul's Church, Phillips Street, since 1947, becomes effective March 23, when he will go to St. Benignus, Parish, Greenfield, O., as pastor. He will be succeeded by the Rev. James O. Byrne, who has been procurator at Purcell High School, Cincinnati, for 12 years.

Father Antony brought to the Yellow Springs Church a wide experience in parish work, teaching and chaplaincy. In 1948 he celebrated the silver jubilee of his ordination to the priesthood. Members of St. Paul's parish will honor Father Antony next Sunday evening at a dinner in the Church basement.

Father Byrne was born in Cleveland, O., on August 26, 1911. Receiving his elementary and secondary education in Wapakoneta, he went on to St. Gregory's Seminary, Cincinnati, where he received the A. B. degree, and St. Michael's Mount St. Mary Seminary, Ordained May 21, 1937, his first assignment was to St. Patrick's Church, Cincinnati, as assistant pastor for five years.

In addition to his duties as procurator at Purcell, Father Byrne was assistant pastor at the Church of the Nativity from 1942-51 and at St. Francis de Sales Church for the past three years. A member of the Archdiocesan School Board, he has also been in charge of Welfare (Purcell's parent-teacher organization) and alumni activities.

Two members of Father Byrne's immediate family are also in the religious life: A brother, Rev. John P. Byrne, is pastor of St. Michael's Church, Worthington, and a sister, Sr. Mary Alice, R.S.M., teaches in the Parochial school in Urbana.

Mr. Earl Hamilton, Limestone St., was taken to Springfield City Hospital, Sunday, due to a stroke.

Mr. and Mrs. Cornelius Grinnell and son David, Grinnell Rd., left March 11 for a motor trip to Florida. Mr. Grinnell is taking a year's leave of absence from the Grinnell Farm Equipment Inc. due to his health.

They plan to stop at St. Petersburg to see the Grinnell family home, Mrs. Mary Grinnell, before further sight-seeing in Florida.

Mr. and Mrs. Edmund Churchhill, Center College St., entertained the co-op students working this division at the Anthropometric Survey, Sunday morning at a waffle breakfast.

Invading Group Included Women Who Were "Absolute Strangers" to Demo Leaders

A Greene County Federation of Democratic Women was to have been organized Thursday evening at the Jaycee Clubroom in Xenia.

The business meeting never got started. A delegation of Yellow Springs women broke up the meeting and refused to allow the transaction of the scheduled business which included the election of officers and the adoption of a Constitution and by-laws.

In an effort to limit affiliation with the Federation to bona fide Democratic women, membership cards had been issued. The right to vote was to have been limited to actual dues-paying members.

When an effort was made to call the meeting to order, the Yellow Springs group demanded that membership cards be issued to them. The Democratic women refused to comply with the Yellow Springs demand. The "Antioch Community" delegation then harangued the meeting until about 11 p. m., when the organizers disbanded, gave up their plans for the organization of a Greene County Federation of Democratic Women and announced that dues payments will be refunded to all paid-up members.

Women who have been active in local Democratic circles for years told the "American" that the Yellow Springs "blitzkriegers" included women who were absolute strangers to them.

Leaders of the Yellow Springs crowd included Mrs. John Sparks, wife of a member of the Greene County Board of Elections; Mrs. Herman Schnurer, wife of an Antioch professor who was active in the CIO-PAC during the era when Lee Pressman, an admitted Communist, was a dominant figure in that organization; Mrs. Elizabeth Klesman, Martha Duncan and Mary Radin.

As we go to press, time has not permitted complete identification of the group of the Yellow Springs disrupters.

However, a check thru the "American" files disclosed that a Mary S. Radin was among those who joined with Edith Steinberg in the circulation of nominating petitions for the pro-Communist (Wallace) Progressive Party in 1948. Edith Steinberg was the wife of Dr. Arthur Steinberg, former Antioch faculty member. Steinberg was named in the Gouzenko Communist spy case before he came to Antioch.

Kettering Principal Speaker Antioch Commencement June 19

Charles F. Kettering, General Motors Corporation research consultant, will be principal speaker at the Antioch College Commencement on June 19th, President Douglas McGregor announced.

The invitation to speak at the event which will climax Antioch's Centennial celebration was extended to Mr. Kettering by the Senior Class Committee because of his long-time association with the college. He has been a member of Antioch's Board of Trustees during most of the three decades since his original appointment on June 15, 1920.

Born on a farm near Loudonville, Ohio, on Aug. 24, 1879, Mr. Kettering taught in small Ohio schools before receiving his degree in electrical engineering from Ohio State University in 1904.

Throughout his school year he was troubled by eye strain which twice necessitated his dropping out of school. During one of these intervals he installed a central battery telephone exchange in Ashland which was the first of its kind in Ohio.

He declined an offer to remain on the OSU faculty in order to join the National Cash Register staff on July 1, 1904, where one of his first projects was development of an electric cash register. At that time it was believed such a register could not be perfected since it would require too large a motor. Mr. Kettering believed, however, that a small motor which could be used between two transactions would work. It did.

Mr. Kettering's company is best known for his invention of the automobile starting, lighting and

ignition systems. Many credit these inventions with being the most important developments leading toward mass acceptance of the automobile as a means of transportation.

To manufacture the auto motive systems, Mr. Kettering organized the Dayton Engineering Laboratories, which later became Delco Products Division, General Motors Corporation. He also organized Dayton Metal Products Company and the Dayton-Wright Airplane Company. He currently is a director of the Winters National Bank and Trust Company.

Research in fever therapy, work on the diesel engine, and the invention, perfection and marketing of the Delco-Light for farmhouses also have brought international recognition to the Ohio inventor.

Among the innumerable honorary degrees which Mr. Kettering has received from colleges and universities throughout the country is an LL.D. from Antioch which was bestowed in 1944. He also has been decorated with the French Legion of Honor and the Order of the Crown of Belgium.

Mr. Kettering was a member of the Board of Trustees which elected Arthur E. Morgan president of Antioch July 6, 1920.

The staff of the Anthropometric Survey had a party Friday night at the apartment of staff member Miss Shelby Ehrlich, Livermore St. Mr. and Mrs. Edmund Churchhill, Center College St., entertained the co-op students working this division at the Anthropometric Survey, Sunday morning at a waffle breakfast.

Why did the Communists and Fellow-Travelers flock to Antioch? ... Read the startling answer ... in this paper ... Soon!

With a Buckeye In Congress...

By CLARENCE J. BROWN
Member of Congress, 7th Ohio District

Less than nine years ago American boys were fighting and dying in a ghastly war against the Japanese in the Far Pacific. Last week the United States and Japan entered into a mutual defense pact or treaty which will cost this country at least \$100 million in the next three months, and untold millions in the future. Nine years ago Russia was our ally in World War II. Today we are spending billions to defend ourselves against the threat of Soviet Russia and the Chinese Reds, who past American officials put in power through the betrayal of a faithful ally, Chiang Kai-Shek. No wonder many people of other countries think Americans are stupid.

Grave concern is developing here in Washington over numerous recent attacks by Communist forces against the bases in Indo-China where several hundred American "military technical experts" are located. There is a feeling that if any of the Americans now assigned to Indo-China are killed in one of these attacks, we may become involved in that war militarily, as well as technically.

The Department of Agriculture announced last week that the Federal Government has in storage 549 million bushels of wheat, either purchased, or held as security for loans, under the price support program. This is 50 million more bushels of wheat than consumed in the U. S. for food purposes during the entire year of 1953.

If the Senate and the President approve a bill which passed the House last week by a vote of 311 to 3, the American people will have their taxes reduced by \$912 million a year. The measure reduces all present Federal excise taxes to 10 per cent, except those on liquors, tobaccos, automobiles, and automobile accessories, which are extended for one year.

The Senate last week passed a bill previously approved by the House to authorize the establishment and construction of an Air Force Academy similar to West Point and Annapolis. The measure was amended in the Senate so as to limit the cost of the new academy to \$126 million. The bill now goes to a conference committee to work out the difference between the House and Senate versions.

The special committee which has had under study security requirements for Capitol Hill, ever since the Puerto Rican fanatics wounded five Representatives on the Floor of the House two weeks ago, is expected to soon recommend a complete revamping of the Capitol Police Corps to match the White House security force. A general "tightening up" on Capitol Hill is also expected for the protection of the nation's lawmakers.

In a speech before the National Press Club here last week, former President Hoover, Chairman of the Commission on Reorganization of the Government (created by legislation written by your reporter), told his listeners that from five to seven billion dollars a year can be saved in the cost of Government operations if the Commission's recommendations are put into effect by Congress and the Executive Branch. Savings of more than \$2.5 billion a year in Government costs are now being made as a result of the recommendations of the first Hoover Commission already put in effect. We have had the honor of serving as a member of both the first and second Hoover Commissions.

ELEMENTARY AND HIGH SCHOOL MENU
MONDAY—Spaghetti and meat balls; green beans; cheese slices; bread and butter; fruit; milk.
TUESDAY—Roast beef over mashed potatoes; buttered peas; bread and butter sandwich; apple crisp; milk.
WEDNESDAY—Meat Loaf; buttered corn; cole slaw; bread and butter; donuts; milk.
THURSDAY—Cube steak; frozen lima beans; carrot strips; bread and butter; pudding; milk.
FRIDAY—Hot bean soup; roast pork sandwich; celery strips; fruit; jello; milk. Substitutions will be made if desired.

... DOWN ON THE FARM ... Plow Battle Set For April 3rd At Dallas Farm

The location of the Greene County Plowing Contest has been changed but the competition will take place on April 3 on the Donald Dallas Farm. The Dallas property is located one mile northwest of Xenia on the Ankeney Mill Road. The fracas had originally been scheduled for the Joe Bickett Farm.

Plans for the event, limited to fifteen contestants are now complete.

The plowing match is sponsored jointly by Greene County implement dealers, Soil Conservation District and the County Extension Service.

Activities will get under way at 9:30 A. M., Saturday, April 3, and will continue throughout the day. Lunch will be served at noon by the Gladys Community Club.

The complete schedule of events includes the following:
9:30 a. m. Implement dealers' demonstrations—continuous throughout the day.

10:30 '41 Noon Tractor Race ... Limited to one F. F. A. representative from each chapter in county.

12:00 Lunch ... served by Gladys Community Club.

12:30 p. m. Program on Equipment Management and Adjustment.

1:30 p. m. COUNTY LEVEL PLOWING MATCH ... Open Contest limited to the first 15 farmers signing official entry blanks. (These blanks are now available at the office of E. A. Drake, County Extension Agent, Xenia Post Office Bldg.)

2:30 '41 ??? RAT RACE ... Open contest with classes for 2, 3, and 4 bottom mounted or trailer type plows.

Trophies will be awarded to the winners of each of the nine events. Runner-up prizes and others will also be given.

Additional information may be obtained from the County Agent's office or your local Farm Equipment Dealer.

Dairy Farmers Hear True Morse

Mr. and Mrs. John W. Collins, Mr. and Mrs. Lauris Straley, Mr. and Mrs. Robert Dobbins and Mr. and Mrs. Harold Dobbins, were among Cedarville dairy farmers present at the 20th annual consecutive membership meeting of the Miami Valley Milk Producers Association held at the Biltmore Hotel in Dayton on Tuesday of the past week.

Approximately 1500 farmers heard True D. Morse, under secretary of the U. S. Department of Agriculture, outline "The New Farm Program". Leslie C. Mapp, general manager of the association made an annual report. John W. Collins, is president of the association, which covers a membership in this area in thirty counties in Ohio and eastern Indiana.

Angus Sale Slated March 26

Monroe Pyles, Courtville Road, who operates the Kyle Farm, will consign animals to the ninth annual show and sale of the Clark County Aberdeen Angus Breeders Association, to be held at Clark County Fairgrounds on March 26.

According to J. E. Bradfute, manager of the event, thirteen bulls and nine females will be judged at the show which is slated for 10:30 a. m. and will be auctioned at 1:00 p. m.

1953 CORN KING

Good farming and good seed corn worked together for Russell Homan and Son, Continental, Ohio to produce a 164.41 bushel yield of corn and win the Ohio Corn Crown in the 1953 National Selected 5-Acre DeKalb Corn Growing Contest. Their yield topped those of 552 other Ohio farmers in the 1953 contest whose average was 105.31 bushels per acre. Their contest field was spring-plowed, received commercial fertilizer and was planted on June 1st.

Communist Threat Farm Bureau Topic

"How Great a Threat is Communism" was the subject for discussion when the discussion group of the Greene County Farm Bureau met at the home of Mr. and Mrs. Willard Haines, Wednesday evening, Mar. 10.

Mr. Haines, chairman, conducted a business meeting which was followed by the discussion led by Bill Evans.

At the close of the evening the hosts served refreshments to Mr. and Mrs. Donald Blingamon, Mr. and Mrs. Bill Evans, Mr. Sam Dean, Mr. and Mrs. Russell Evers, Mr. and Mrs. Wendell Garringier and Mr. Richard Eabney.

Bicketts Win

Bankers Award

Two Greene County farmers will receive the Certificate of Approved Farm Accountant for 25 years of farm accounting during Farm and Home Week at Ohio State University.

The awards will be made to Charles A. and James W. Bickett, New Jasper Twp. and Robert L. Thomas, Beaver Creek Twp. for keeping farm account records in cooperation with the Agricultural Extension Service a quarter of a century.

The Ohio Bankers Assn. sponsors the project and will honor these men at a banquet Wednesday evening the project and will honor these men at a banquet Wednesday evening, March 24, at 6:30 at Pomeroy Hall on the O.S.U. Campus.

Other Greene Countians with long records of accounting and who have been invited to the banquet are William Shawhan, Beaver Creek Twp. who has records 19 years; Meryl Stormont, Cedarville Twp. with a 30 year record; and John Collins, Cedarville Twp. who has kept records 27 years.

Area Dairy Farmers Suffer Income Cut

Dayton-Springfield area dairy farmers took another cut in income from milk sold in February, according to an announcement today by Leslie C. Mapp, general manager of Miami Valley Milk Producers Association.

The gross blend price for February, (1954) for Grade A milk testing 3.5% butterfat, was \$4.29 per hundredweight, which represented a drop of 64c per cwt. from the blend price paid the producers in December, 1953. The February blend price was the equivalent of 37c per gallon, at the farm.

Mapp explained the drop in producer price was the result of several factors operating in the market at this time. First, the supply-demand formula, which is a provision of the federal milk order for this area, caused a drop of 20c per cwt. in bottled milk and cream. And secondly, the increase in milk production in the area necessitated a greater percentage of the total receipts being used in Class III, or for manufacturing purposes — at a lower Class price.

He said that milk production in the market area increased 12.7% over February one year ago. The number of producers selling milk in the area decreased slightly from called on to manufacture large but this was offset by an increase in production of 5% per shipper in February.

Fluid milk sales in the area increased about 10 1/2% over one year ago, a trend which was evidenced in January, also. However, this increase in local milk sales was not sufficient to utilize the increased production, so the Association was called on to manufacture large amounts to surplus milk in the Supply Equalization Plant in Dayton Mapp declared. He said the new addition to the Supply Plant would be completed and the new equipment put into use before the end of March.

Mapp predicted a continued drop in the producer blend price in March, of approximately 20c per hundredweight. He reported that to date there has been no decision from the U. S. Department of Agriculture about the milk order hearing which was held in the area early in January. It is anticipated that the announced lowering of support prices on dairy products on April 1, will result in still lower prices for producers in coming months.

Wang Will Be Farm Forum Speaker

Eric Wang, chief of the special studies office at Wright-Patterson Air Force Base will speak on "Everyman Loves Freedom at the Greene County Farm Forum, Monday evening, March 22, at 7 p. m. at Geyer's in Xenia.

Mr. Wang, a graduate of the University of Vienna left his native country just before Hitler's invasion. For a number of years he was a member of the faculty of the University of Cincinnati.

Special music will be provided by Mr. and Mrs. Don Lehman.

Beaver Creek Twp. members co-chairmaned by Nelson Moore and Horace Ferguson are arranging and will have charge of the program.

Dinner reservations should be made by Friday evening by calling the county agent's office - Phone Xenia 2-3071.

Save Soil—
Save Water—
Plant Trees—

ROVIN'

With Ralph Shupe

Did you ever wonder why the Communists ... socialists ... and fellow-travelers descended on Antioch College like vultures and in such great numbers? ... did you ever wonder why people who signed Communist nominating petitions were operating in the Antioch College area?

... And have you been puzzled as to why Dr. Arthur Steinberg ... the "Mr. X" of the notorious Gouzenko spy case ... and his wife could find sanctuary and employment on the faculty of Antioch College? ... And have you wondered why so many "strange characters" were to be found in the peace and quiet of rural Greene County?

As soon as we round up a few "loose ends" we'll give you a big part of the answers to these questions. We are convinced ... and we believe you'll also be convinced ... that the Antioch situation deserves and demands a full-scale Congressional investigation.

Great pressure will be exerted to prevent the exposure of the cozy and viciously dangerous situation which the Communists and their fellow-travelers have so firmly entrenched at Antioch College during the past twenty years. The full influence of every pro-American in this area will be needed to counteract the pressure which will be brought to bear. There will be hypocritical screams of "Witch-hunt" ... "menace to academic freedom" and all the usual "smoke-screen" devices the Reds ... fellow-travelers ... and fake liberals drag out whenever anyone gets within shouting distance of the truth about their conspiracy to destroy our freedom. They'll certainly fight tooth-and-nail to save their valuable cell at Antioch ... or has it been priceless?

GRANDMA SAYS: "Let's make Greene County a leader in conservation and start a county-wide tree planting program before all the bloom'n' wells go dry!"

YOUNG FARMERS MEETING IS GREAT SUCCESS

Problems confronting young people just starting to farm were discussed at a meeting of young farmers and their wives held Thursday, March 11, at Cedarville school. The meeting is hailed as a great success by the sponsoring committee.

A transcribed portion of the meeting was broadcast on WRFD on Friday, March 12, at 4:05 p. m. Participating in the broadcast were Mr. and Mrs. Robert Fudge, Mr. Wayne Corry, Miss Clara Sexton, Mrs. Marion Beason, chairman of sponsor committee, and Mr. Carl Pickering, Greene County Farm Bureau president.

Mr. Carl Hutchison, Educational Director of the Ohio Farm Bureau, divided those present into six small groups in order that they might discuss those topics which they wish to hear discussed at the next meeting. Group reports indicated that they were interested in many problems which confront young people starting to farm.

Among the topics were finance, hinging around the question "How deeply can they afford to go into debt?"; farm and household management; timely economic information, and the matter of meetings devoted to recreation. These questions are to be developed into a yearly program.

A six-member committee from Miami and Cedarville townships will meet with the Farm Bureau committee March 29 to make further plans for an April 15 meeting at Tecumseh school. Committee members are Mr. and Mrs. Ernest Collins, Mr. and Mrs. James H. Turnbull, Wayne Corry and Clara Sexton.

Chair Young, associate County Extension Agent, presented timely economic information to the group and assisted Mr. Hutchison with the recreational program which consisted of folk dancing. Refreshments were served.

School News

The freshmen and G.A.A. of Bryan High School held a dance called "Moonlight Mist" Saturday, March 13, at the school auditorium.

For decorations, they had a pond scene with spruce trees, a big shiny moon, and a blue ceiling made to look like the sky from which stars hung downward.

Music was furnished by the Major Dema Orchestra.

Members of the Curtain Pullers of Bryan High School will next month present John L. Balderson's play, "Berkeley Square." Production dates will be Friday and Saturday evenings, April 9 and 10. Time of the play is 8:30 p. m. The price of admission is to be announced later.

Participating in the play will be: Sue DeWine, Maid; Mark Velsey, Tom Pettigrew; Pat Sayer, Kate Pettigrew; Diantha Whitmore, Lady Anne Pettigrew; Tom Fess, Mr. Throble; Joan Shoemaker, Helen Pettigrew; Ted McNutt, The Ambassador; Judy Duncan, Mrs. Barwick; Jack Cochran, Peter Standish; Sue Anderson, Marjory Pratt; Warren O'Neill, Major Clinton; Marian Wingfield, Miss Barrymore; Louise Rothmund, Duchess of Devonshire; Bill Mefford, Lord Stanley; Walter Knecht, H.R.H. the Duke of Cumberland.

Arthur Lithgow, Assistant Professor of Drama at Antioch College will direct the production.

Dave Champney is stage manager, and Ellen Pillard is his assistant. Rehearsals have already begun.

Mrs. Richard Allen and son, of California, were here to attend the wedding of Mrs. Allen's brother, Robert Pink, last Saturday.

Dr. and Mrs. L. L. Taylor, Walnut St., have as their guest this week, their daughter, Mrs. Gordon MacLennan of Pittsburgh.

Mr. and Mrs. Eugene Diehl moved last week from 116 Glen St. to Meadow Lane just off Allen St.

Mrs. Elizabeth Williams, known to her many friends here as Mother Williams, a former resident of Yellow Springs, and mother of Dr. Harry N. Williams, suffered a relapse recently from the flu and was taken to the hospital in Alliance, Ohio. She is spending the winter in Alliance with her daughter.

Her address is Mrs. Elizabeth Williams, 999 Roseland Rd., Alliance, Ohio.

Mrs. Ethel Carpenter, Tower Court is receiving treatment for heart trouble in Mercy Hospital, Springfield where she is a patient.

PERSONALS ...

Miss Patty Shook, Elm St., entered Mercy Hospital, Springfield, Tuesday, for observation.

Mrs. Charley Mellinger, White-man St., entertained in honor of Mrs. David Fink's birthday Tuesday.

STATEMENT OF POLICY RECREATION AND YOUTH COMMITTEE

1. NAME OF COMMITTEE:

This agency of the Yellow Springs Community Council shall be known as the RECREATION AND YOUTH COMMITTEE. Formerly it was called the Yellow Springs Youth Council and when it became affiliated with the Yellow Springs Community Council it was termed Recreation Committee and Youth Council, interchangeably.

2. PURPOSE:

The purpose of this committee shall be to provide wholesome recreation for the youth of the community of Yellow Springs. It shall coordinate the activities of its various independent programs so that the maximum value to the community may be realized. The committee shall provide advice and assistance to the personnel conducting these programs (e.g. High School Recreational Program, Swim Instruction Program, Teen-Canteen, Summer Day Camp, etc.). It shall also coordinate its activities so as to avoid conflicting with, or duplicating, programs already conducted by agencies within the community which are not recipients of Yellow Springs Community Chest funds. It shall investigate all new programs and present them to the Yellow Springs Community Council for approval.

3. MEMBERSHIP:

In order to fulfill the above purpose the committee shall consist of a chairman and the following—
a. Treasurer
b. Public School Faculty Member
c. Summer Day Camp Program Chairman
d. Swim Program Chairman
e. Chairman of Teen-Canteen Program.

Additional members may be appointed at the discretion of the

chairman.

The chairman or coordinator of the committee shall be elected annually by vote of the Council. All other committee members shall be appointed by the chairman.

No member of the committee may be the recipient of RECREATION AND YOUTH COMMITTEE funds.

4. SCOPE OF ACTIVITIES AND METHODS OF OPERATION:
The present activities of the RECREATION AND YOUTH COMMITTEE approved by the Community Council are as follows:

- High School Recreation Program.
- Elementary School Recreation Program.
- Summer Day Camp Program.
- Community Swim Program.
- June Swim Instruction Program.
- Annual Easter Egg Hunt.
- Halloween Program.
- Christmas Holiday Community Dance.

5. FINANCIAL PROCEDURES:
A financial statement and a request for Community Chest funds for the following year shall be prepared annually by the treasurer. This report shall be approved by a majority of the members of the committee and signed by the treasurer and the chairman.

The year-end balance of each activity of the committee shall be reported separately by the treasurer and the money granted to each activity from Community Chest funds will be added to this balance.

From these funds the committee treasurer shall make disbursements by check for large, recurring debts upon notification by the director or chairman of each activity, further, certain amounts of these funds may be disbursed directly to these activities, by check, upon request to the treasurer in order to permit petty and miscellaneous debts to

be paid immediately by each activity. A general accounting of these petty expenditures shall be the responsibility of each director of these petty expenditures shall be the responsibility of each director or chairman.

With the approval of the majority of the committee funds may be transferred at any time by the treasurer to other activities of the committee.

The following nominating Committee was appointed: Mrs. Landis, Chairman; Mr. Barr and Mrs. Melinger, This Committee is to select nominees for the offices of Chairman, Vice-Chairman, Secretary, Treasurer and One Trustee for the coming year.

TRIP IN CASE OF FIRE

Mr. Charles R. Scott, Ohio State Fire Marshal, points out that there were 5,748 dwelling fires last year in Ohio with a momentary loss of \$6,401,955.

In order to insure the safety of your loved ones and to prevent your home from being another fire loss statistic, Mr. Scott suggests that you make a systematic fire hazard inspection of your home, and that you, immediately, remove or correct any hazardous conditions that you may find.

There are fire hazard inspection forms available that will be a valuable aid to you when making an inspection of your property. Mr. Scott suggests that you contact your local fire department, insurance or the State Fire Prevention Bureau for these inspection forms.

If you discover a fire, notify the fire department immediately. The first five minutes at a fire are worth more to the fire department than the next two hours. Too often a person, upon discovering a fire, tries to fight the fire first and calls the fire department only after the fire is out of control. Many homes have been lost as a result.

A good plan to follow, upon discovering a fire, is to help any persons in immediate danger to safety. Call the fire department, try to isolate the fire by closing doors and windows in the immediate vicinity, then try to extinguish the fire with fire extinguishers, garden hose or any available equipment. If the area becomes too smoky or hot, get out and wait for the arrival of the fire department.

NEWS BRIEFS

The Women's Auxiliary of the Clifton Fire Department will sponsor a bazaar and bake sale on Saturday March 27 at 10 a.m. Proceeds will go to the Clifton Fire Department.

On April 4 the annual Rover of the Yellow Springs Archery Club will be held at Bryan State Park. It is usually held on the third Sunday in April, but due to Easter, the date has been advanced this year.

Dr. and Mrs. Linus Pauling were guests at an Antioch College Science Building, Thursday afternoon at 4 p.m. Dr. Adams, chairman of the Science Building, stated that these tests, established over twenty years ago, are given one each division, by the staff of the Science Building, and their wives and student assistants help with the arrangements. Representatives from the Fels Research, Morris Bean and Company and the National Cash Register Company of Dayton were also invited to attend the tea.

The annual Father and Son Banquet of Yellow Springs Lodge No. 421, F. & A. M. will be held Saturday evening March 20 at 8:30 in the local elementary school. The speaker of the evening will be Attorney John O. Harper of Springfield. His topic will be "Lying by the Plumb Line."

Tickets should be purchased in advance from any officer of the lodge.

Antioch Chapter No. 445 O.E.S. invites its members to attend the Annual Inspection, Saturday, March 27, at 8 p.m. at the Yellow Springs Elementary Auditorium.

Last Tuesday the federal government filed a \$571.40 tax lien against Mrs. Urie, 80, of Cleveland, a member of the Tax Protest Committee of Peacemakers. Mrs. Urie is a former resident of Yellow Springs.

Eleanor Wise, daughter of Mr. and Mrs. Stanley Wise, Xenia Ave., a sophomore at Bryan High School, was one of eight winners in the American Legion's essay contest in the Legion's Third Ohio District.

The eight prize-winning essays were chosen from 45 entries, and the winners were announced by Dale Binkley of Brookville, Third District Commander. The essays will be entered in competition with those from 13 other districts in the state. The top 12 essayists will be awarded a 10-day trip to Washington, D. C.

Mr. F. A. Jackson, Davis St., principal of the grade school tendered his resignation at the school board meeting March 2nd. His resignation was accepted with regrets. Mrs. Charles Kohler spoke concerning a recreation program for High School girls. Discussion followed.

The board set up a meeting date of Mar. 23 for parents interested in having a separate Junior Hi.

There was a discussion of our school becoming an exempted village school rather than a county district school. The decision will be made at the next board meeting.

Dr. Linus Pauling, chairman of the division of chemistry at California Institute of Technology, current Centennial visiting faculty member at Antioch College, told a student assembly Tuesday morning that while literature deals with man's relationship to man, science deals with an infinity of relationships.

He defined a cultural subject as "one that enriches man's intellectual and spiritual life" and that "science may be considered the greatest of all cultural subjects."

Dr. Pauling said that one does not need to be a scientist to enjoy science and that people sometimes forget the great part that imagination plays in science.

Dr. Pauling, who is on a nine-day visit to Antioch College will speak again at Vespers on Sunday, March 21, and on Monday will attend the meeting of the Antioch/AUP chapter to discuss the implications of his assembly talk.

The book "I Was a Captive in Korea" by Philip Deane, has been presented to the Yellow Springs Library by the American Legion Auxiliary, Thomas Edwin Bailey Unit 657, in memory of all our boys who served in Korea.

The book tells the story of two years and nine months of imprisonment by the Communists. It is a most remarkable personal document of the war in Korea.

The author went to Korea as a war correspondent in July, 1950. He was taken prisoner after thirteen days of wild, hopeless action with those few lost GIs sent to slow the Red offensive.

Stop Signs

Red stop signs were authorized for Ohio beginning today, with the signing of the official Highway Department Journal by Director S. O. Linzell. The new red stop-sign will eventually replace nearly 30,000 yellow stop signs on the rural state highway system.

"The yellow stop signs are still legal and in force," said Linzell, "and they will be used until the Highway Department can replace them gradually. To replace them all immediately would entail prohibitive cost."

The Highway Department's Deputy Director of Operations, C. W. McCaughey said that the journal entry, which he presented to Linzell for signature, specified that the minimum size of the sign shall be a 24 by 24 inch octagon, with the word stop at least one-third the height of the sign face. On rural state highways a larger, 30 by 30 inch, sign is specified.

McCaughey said, "The colors used shall be either black letters and or white letters and border on a red background."

McCaughey continued, "When black and yellow are used the yellow background may be reflected. When red and white are used the word STOP must be reflected and the red background may be."

PROBLEMS OF OLD AGE

By Science Features

The song which laments that "the old rockin' chair's got me" expresses a feeling all too often characteristic of elderly people. In many cases these people suffer from no organic disturbance. They simply feel "old."

But the proverb that you are only as old as you feel has received scientific support in recent years. Advances in medical science, which have added years to our life expectancy, have made old age healthier than ever before.

As a matter of fact, the complex problems involved in helping the ever-increasing elderly population lead healthy and useful lives has given rise to a whole new branch of medical science. This is called gerontology, the study of old age.

Many cases of elderly people who lack a sense of general well-being—who feel "old" and spiritless—can be traced to a deficiency in certain hormones, the life-regulating chemicals produced by the body's glands.

To help people suffering from this deficiency, a hormone drug, called Combandrin, has been developed. This drug, containing two important hormones, acts to help rebuild tissue and promote a sense of fitness. It can be given by injection or by tablet.

But this is only one aspect of gerontology. Others include psychiatry and preventive medicine—in fact, all scientific knowledge that can help old people live happier, healthier lives.

Plans Made For SAR

Friday, March 12, a group of members and eligible members, from Greene County, of the Sons of the American Revolution, met with state officers of the organization to discuss re-activating the Nathaniel Greene chapter. Among the state officers present were: Thomas A. Calhoun, President; Warren M. Taylor, Vice president; Rev. Chandler Crawford, Chaplain; and Randolph F. Sellers, District Representative.

It was brought out that there are only 4 members in Greene County at the present time; 2 in Xenia, and 2 in Yellow Springs. There are quite a few eligibles in the County. There are 3 active chapters of the Daughters of the American Revolution and any male over 18 years of age who has a blood relative in this organization is eligible. It is also claimed that there are more revolutionary war veterans buried in Ohio than any other state.

Few people seem to have heard of the S.A.R. although it is older than the D.A.R. As a matter of fact the organization of the D.A.R. was originally copied from the S.A.R. The S.A.R. is not a secret organization and its purpose can best be described by quoting the official Policy:

"We undertake the responsibility of protecting the institutions of Government established by our forefathers and to guard our constitution and Bill of Rights from encroachment from any source. We believe in a democracy in a republic and that our way of life and our liberty are worth protecting and preserving. To this end we pledge our fortunes and our sacred honor."

The S.A.R. also believes that he who has no respect and reverence for the work of his forefathers automatically forfeits the right for such reverence and respect from his posterity.

The S.A.R. has supported military preparedness for 60 years. It has supported a post war plan to settle international disputes without resorting to war, and without unduly yielding our sovereignty. The S.A.R. has worked with the F.B.I. and other government agencies in fighting subversion. It has furnished material for education in constructive citizenship. It is teaching youth to vote intelligently and to disregard fleeting and unsound radicalism.

The S.A.R. established constitution Day (September 17). It inaugurated Flag Day (June 14). It established Young Citizens Day, now known as I am an American Day. It awards medals for outstanding work in R.O.T.C. and Good Citizenship medals to students in grammar and high schools. The list of distinguished men who are and have been members of the organization is long. Seven presidents including president Eisenhower, either are or have been members.

Mr. Randolph E. Sellers, 1213 Hayward Ave., Cincinnati 26, has offered to furnish further information about the S.A.R. to anyone desiring it.

Eighth Graders Find The Flea

Bryan High School was the scene of the Eighth Grade Party last Friday, March 12. Activities for the evening consisted of a Scavenger Hunt, relay races, dancing, and refreshments.

Three groups of pupils joined in the hunt looking for such things as a mustache cup and a live flea. (Usually reliable sources report that the flea was easily found.)

The balance of the evening was spent in dancing. Refreshments, including soft drinks and cookies, were served. The cookies had been made by the girls of the 8th grade.

Supervising the party were Miss Pauline Phillips and Mrs. John Cochran. Among the guests were Mr. and Mrs. John Halchin, Mr. and Mrs. Glen Blackwood, and Mr. and Mrs. Stanley Wite.

Mr. Mary Dico, Xenia, entertained with a birthday lunch Monday in honor of Mrs. Ella Humphrey.

Are You Registered To Vote?

Greene County voters who have moved from one precinct to another or have changed name by reason of marriage or divorce since registering with the Board of Elections must notify the board of those changes by March 24.

Newcomers to the county, persons who have attained the age of 21 since the last election, voters who have previously registered but have failed to vote at any election in the last two years or persons who never have registered but expect to vote at the May 4 primary, must sign up with the board before the March 24 deadline.

Persons may register at the board's office in the Court House basement, which is open daily from 9 a.m. to 4 p.m. on Monday, Tuesday, Thursday, and Friday, and from 9 a.m. to 12 noon on Wednesday and Saturday. Beginning Monday, and continuing through March 24, the office will be open from 9 a.m. to 9 p.m.

A branch registration office will be set up in the Yellow Springs Town Hall on Wednesday, March 24. It will be open from 9 a.m. to 9 p.m. to service voters in this area.

Marriage Performed Hosket — Dellinger

Marriage vows were exchanged by Miss Winifred Hosket of Yellow Springs and Mr. Phillip A. Dellinger of Fairborn in an informal ceremony in Yellow Springs Methodist Church Friday, March 5, at 7:30 p.m.

The bride is the daughter of Mr. and Mrs. Carl Hosket, 321 N. Walnut St., Yellow Springs. Parents of the bridegroom are Mayor and Mrs. Harry A. Dellinger of Fairborn.

Rev. Thomas B. Smith, pastor of the church, officiated at the ceremony.

single ring service at which members of the immediate families and a few friends were present. A 30-minute program of organ music was presented by Mrs. Trenton Judy of Yellow Springs.

Mrs. Charles S. Lucas (Irene Hosket), 913 N. Detroit St., attended her sister as matron of honor and Mr. John Ehrhart of Fairborn served as best man.

The bride wore a blue taffeta dress with white accessories and a white orchid corsage. Mrs. Lucas appeared in a blue printed silk dress complemented with white accessories and her flowers were pink and white carnations.

Following the service 80 guests of the bride's brother and sister-in-law, Mr. and Mrs. Robert E. Hosket, 143 S. Walnut St., Yellow Springs. Hostesses at the reception were Mrs. Robert E. Hosket, Mrs. Charles Hosket and Mrs. Jack Hosket of Yellow Springs, sisters-in-law of the bride, and Mrs. T. S. Holliday of Xenia.

For her daughter's wedding and the reception Mrs. Hosket chose a navy blue crepe dress with white accessories and Mrs. Dellinger, the bridegroom's mother wore an aqua crepe dress with gray accessories. Both had corsages of white carnations.

Mr. and Mrs. Dellinger left Friday night on a trip to the South. Upon their return next week they will reside at 609 E. Xenia Dr., Fairborn.

Anthropologists To Meet At Antioch

The twenty-third annual meeting of the American Association of Physical Anthropologists will be held March 26, 27, and 28 at Fels Research Institute for the Study of Human Development at Antioch College.

About 80 members, representing colleges, universities, hospitals, and research institutions in 20 centers, are expected to attend.

This is the first meeting of an anthropological association at Antioch College which formed a new department of Sociology and Anthropology last fall. Coincidentally, the conference comes toward the close of Antioch's Centennial Year observance and also marks 100 years since the field of anthropology started in this country.

Papers reporting on a wide variety of research projects will be submitted, with the emphasis expected to be on fossil man, growth, and population trends. Baldness, hereditary blood factors, and obesity also will come in for some security.

Principal speaker at the annual dinner scheduled March 27 will be Dr. Paul E. Jones, research director of the Wenner-Gren Foundation for Anthropological Research, Inc., of New York City.

Other prominent guests include William L. Strauss, professor of physical anthropology at Johns Hopkins University, Baltimore, Md., one of the country's leading experts on the great apes, who is retiring president of the association; T. Dale Stewart, head of the section of physical anthropology of the Smithsonian Institution, Washington, D. C.; Mildred Trotter, department of anatomy, Washington University, St. Louis, Mo.; Sherwood L. Washburn, department of anthropology, University of Chicago; Charles Snow, department of anthropology, University of Kentucky.

Annual election of officers of the association is slated Friday night of the conference week-end.

Albeneri Trio At Antioch

A program of chamber music by Beethoven, Haydn, and Ravel was presented by the Albeneri Trio at Antioch College last Tuesday.

Elections included Beethoven's Trio in B-flat Major, Haydn's Trio in E-flat Major, and the Trio in A Major by Ravel.

Now in its sixth season, the Albeneri Trio is well known in this country, having given cycle performances of all the Beethoven trios in New York, Chicago, Washington, and at Princeton and Stanford universities.

Erich Ilor Kahn, pianist, was born in Germany. He took up residence in the United States in 1941 and, in 1948, was awarded the Elizabeth Sprague Coolidge medal for "eminent services to chamber music."

The violinist with the trio is Italian-born Giorgio Clompl, who made his debut in this country in 1938 at the age of 20.

Benar Helfetz, cellist, launched his career in Russia when he was 12 years old. He has lived in the United States since 1937 and is a member of the NBC orchestra where he plays under Arthur Arturo Toscanini.

Save Water—
Plant Trees—

Your Election Laws

Since the ballots used at various elections in the "odd-numbered" and "even-numbered" years are different, we believe that it is a service to many voters to acquaint them with the ballots with which they will be confronted in 1954.

The Primary Ballots for 1954 will contain the following offices: Governor, Lieutenant Governor, Secretary of State, Treasurer of State, Attorney General, United States Senator (for the unexpired term ending January 3, 1957), Judge of the Supreme Court (Full term commencing January 1, 1955), Judge of the Supreme Court (Full term commencing January 2, 1955), Judge of the Supreme Court (Unexpired term ending December 13, 1956), Representative to Congress, Judge of the Court of Appeals, Members of State Central Committee (Man), Member of State Central Committee (Woman), State Senator, Representative to General Assembly, Judge of the Court of Common Pleas (in some counties), Judge of the Probate Court (in some counties), County Commissioner, County Auditor, and Member of County Central Committee.

Mrs. Lewis Gagner, Livermore St. who has been confined to her home for the past two weeks with pneumonia is now able to be back on her job at Antioch College.
